Sir,

Subject - Purchase of a Bed-Ford Chassis Lorry for removel of street rubbish in Chitaldrug Town Municipality.

May be recommended at 19/2

With reference to your letter No L Dis A6 P R 226/46-47 Dated 10-12-46 calling for a fresh resolution of the Council on the subject, as the resolution dated 31-5-45, was more than one and a half years old, as observed by the Revenue Secretary, I have the honour to state that the Council have resolved in their Meeting held on 7-2-47 that a Lorry is urgently required and the ~~cost~~ sum may be purchased out of the closing balance The Lorry with the delivery charges and building the body for the Lorry will cost Rs 7995, as per the Price List and the quotation received The circumstances under which the Lorry is proposed to be purchased and the provision for the same in the Sanctioned Budget, are stated in detail in my letters G C 131/45-46 dated 27-4-45 and XXX H C 90/46-47 dated 12-10-46 A Lorry is XXXXXXXX is absolutely necessary and has to be purchased immediately I have requested the Inspector General of Police in my letter No H C 159/46-47 dated 6-12-46 to allot a Lorry for this Municipality It has been ordered by the Revenue Secretary in his letter under advertance, that the proposal may be renewed after the permit is obtained In this connectin I write to bring to your kind notice that the freezing period is only 45 days from the date of allotment It may therefore not be possible to obtain sanction of Government for the purchase of the lorry within 45 days after obtaining a permit I therefore feel it desirable and also necessary to obtain the sanction of Government in advance Further the closing balance of the Municipality on 1-2-47 is Rs 24000/- and as this the Collection season, monthly collections under all heads will be more than Rs 7000/- during the remaining period of the year The Finances of the Municipality are therefore quite sound and the Municipality will be in a position to keep up its closing balance at the end of the year even after meeting its normal expenses and the amount required for the purchase of a Lorry

P T O

As a Lorry is quite essential, and as the provision made for its purchase has been approved in the sanctioned Budget as the Finances are sound, and as it is also necessary to obtain Government sanction in advance, I request you kindly to move Government, for according kind sanction to the resolution of the Council and to meet the excess if any over the Budget estimate out of the closing balance. A copy of the resolution is also enclosed.

I have again requested the Inspector General of Police today to allot a lorry to this Municipality early

I have the honour to be
